SUMMARY

Frontend-focused software developer with a strong foundation in full-stack development and a passion for building high-quality, visually polished user interfaces. Experienced in modern JavaScript frameworks, AI-powered applications, and scalable web platforms. Seeking a frontend or full-stack role where I can contribute to building impactful products and continue growing as an engineer.

TECHNICAL SKILLS

Languages: JavaScript, TypeScript, SQL, HTML5, CSS3

Frameworks & Libraries: React, Next.js, Node.js, Tailwind CSS, Framer Motion

Databases: PostgreSQL, Supabase, MySQL, MongoDB

Tools & Platforms: Git/GitHub, Docker, AWS, Vercel, Stripe

Other: REST APIs, Authentication, Responsive Design, UI/UX Principles, AI API Integration

EXPERIENCE

Frontend Developer — Workiva (2025 – Present)

- Built and maintained responsive, high-performance frontend components using React and TypeScript
- Collaborated with design and backend teams to deliver clean, scalable UI systems
- Improved user experience by optimizing page load performance and refining component architecture
- Contributed to internal tools and dashboards with a focus on usability and clarity

PROJECTS

ExactAI — AI-Powered Frontend Code Editor

- Built a desktop-style AI code editor focused on frontend UI/UX generation and refactoring
- Integrated AI chat panel for real-time code edits and UI transformations

Jump — VS Code Extension for Code Recall

- Developed extension enabling developers to retrieve past code using natural language

Artemis — AI Robotics Model Training Platform

- Built platform for training and simulating robotics AI models with interactive playground

VorgAI — AI Landing Page Generator

- Created AI tool to generate landing pages from prompts with auth and Stripe integration

GameForge — AI-Powered 2D Game Builder

- Built system to generate playable games using AI and real-time editing features

EDUCATION

Wichita State University Campus of Applied Sciences and Technology

Associate of Applied Science in Cloud Computing • 2024
